Criteria for Assessing Grant and Donation Applications

Definitions:

Grant

A grant is a lump sum which the Finance and Personnel Committee has agreed to grant on an annual basis. The size of the sum granted may change from year to year.

A grant should be reviewed by the Finance and Personnel Committee on an annual basis to determine if the situation or conditions have changed.

Donation

A donation is a one off sum of money donated to a charity or a non-profit making organisation whose application for money has been agreed by the Finance and Personnel Committee because it a worthy cause and satisfies the criteria listed below.

A donation will not normally exceed 50% of the cost of the project or activity.

The giving of a donation does not guarantee further donations. Each application will be assessed on its own merits.

Criteria:

Priority must be given to those activities which will enhance the wellbeing of Halesworth and its parishioners.

Grants will only be given to non-profit making organisations and charities and not to individuals or businesses.

If a charity is active over a wider area than Halesworth, then the bulk of the activity must be for the benefit of Halesworth and its residents.

All Applicants must be a properly constituted organisation with a standard committee structure, Terms of Reference, a bank account in the name of the charity and with at least two authorised representatives required to sign each cheque.

Applicants must provide details of the project for which the application has been submitted..

All applications for money must be made on the official Halesworth Town Council's Application Form and submitted to the Finance and Personnel Committee for consideration. All sections of the Application Form to be completed otherwise the application will not be accepted.

The Finance Committee expects to be informed by the end of November each year of all requests for more than £500 for disbursement the following financial year. This requirement is for budgetary purposes only.

With requests for significant sums of money, agreement will not be given to a sum of money greater than the amount the Applicant has itself raised and then only to a maximum sum of £5,000. Sums in excess of £5,000 must be referred to the full Council for approval and then only if the application is considered by the Finance and Personnel Committee to be worth supporting. The sum requested will only be transferred once evidence has been received that the Applicant has raised their half of the total sum required.

The Applicant must provide evidence of how the grant was spent and be agreeable to inspection by a Council representative.

Grants and donations cannot be given retrospectively.

In principle, only one application will be accepted from an organisation in any one financial year but this can be reviewed in exceptional circumstances.

All applicants will be contacted with an explanation of the reasons of the Finance and Personnel Committee's decision. The decision of this Committee is final.
